

# IOWA SPACE GRANT CONSORTIUM

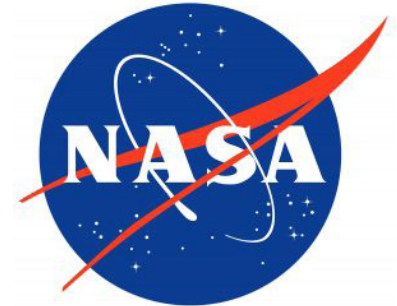

## STUDENT LOGO CONTEST

National Space Grant Logo

Current Iowa Space Grant Consortium Logo

NASA Meatball

### Calling all ISGC sponsored students to help us create a new logo!

- The competition deadline is **May 11**, winner will be chosen in the summer.
- Logo should not be focused on any one Iowan academic institution.
- Logo should be designed so that patches and pins could be created (max size 4in) without compromising detail.
- Should be representative of the state of Iowa and our work in some fashion.

#### **Suggestions**

- Look at patches currently used by Space Grant Consortia in other states.
- Reference old and current ISGC logos, NASA meatball, National Space Grant logo, etc for ideas.

#### **\*\*Note\*\***

- The final version of the selected logo might not be exactly as submitted.
- Contest is only for students who have been supported by ISGC.
- Please direct questions and/or final submissions to ISGC office at: [isgc@iastate.edu](mailto:isgc@iastate.edu) by May 11.
